

Become a Friend of

THE Oriel SINGERS

Would you like to become a Friend of the Oriel Singers?

The Oriel Singers is one of Gloucestershire's leading amateur chamber choirs. We perform around the county and beyond and always present engaging programmes sung to the highest standards.

Although we budget to cover our costs within our concert income, we occasionally like to embark on more ambitious projects. For example, we may wish to include instrumentalists or professional soloists or to commission new music. We are therefore launching our now 'Friends of The Oriel Singers' scheme, which will mean that, for a small donation each year, you will be able to support the choir in its ambition to continue to present an uplifting and exciting musical programme.

For just £30 a year per person, or £50 for a shared membership, you will receive regular updates about concerts and events and an invitation to a special Friends' event that we intend to hold each year.

Simply complete the form opposite or sign up on our website to become a 'Friend' of one of the friendliest choirs around!
